Dear Dr. Shubha Pandit Ji,

I was quite happy to read about your esteemed college being ranked **Number 24** in the India Today special issue dated 30th May 2016 titled "India's best colleges".

Today, when we speak at every industry body about "80 plus percentage unemployable graduates" coming out of educational institutions in India, your institution stands out by producing graduates who can analyse, implement & manage well.

I write this personal note to congratulate you, your faculty and your students for setting such high standards.

With best wishes,
