

**K.J.SOMAIYA JR. COLLEGE OF SCI.& COMM.
S.Y.J.C. ACADEMIC YEAR PLAN OF BIOLOGY
2019 - 2020**

MONTH	NAME OF THE TOPIC (THEORY)			
	BIOLOGY 1		BIOLOGY 2	
JUNE	Reproduction in Plants	Reproduction in Plants	Excretion & Osmoregulation	Circulation
JULY	Reproduction in Plants + Photosynthesis	Reproduction in Plants + Respiration	Excretion & Osmoregulation + Organisms & Environment - II	Circulation
AUGUST	Photosynthesis + Genetic Basis of Inheritance	Respiration + Gene - it's nature, expression & regulation	Organisms & Environment - II + Human Reproduction	Animal Husbandry + Hormonal Co-ordination
SEPTEMBER	Genetic Basis of Inheritance	Gene - it's nature, expression & regulation	Human Reproduction	Hormonal Co-ordination + Nervous Co-ordination
OCTOBER	Genetic Basis of Inheritance	Gene - it's nature, expression & regulation	Human Reproduction + Human Health & Diseases	Nervous Co-ordination
NOVEMBER	Biotechnology - Process & Application	Enhancement in Food Production	Human Health & Diseases	Nervous Co-ordination + Genetic engineering & Genomics

DECEMBER	Biotechnology - Process & Application + Microbes in Human Welfare	Enhancement in Food Production + Organisms & Environment - I	Origin & Evolution of Life	Chromosomal Basis of Inheritance
