# KJSCE at Focus

# About ——— KJSCE

K.J. Somaiya College of Engineering (KJSCE) is a part of an educational conglomerate situated in the 60-acre Somaiya Vidyavihar campus located in the north-central area of Mumbai, Maharashtra. It is run by the Somaiya Trust which was established by the philanthropist Padmabhushan K.J. Somaiya in 1959. Located in the heart of the city, it is well-connected viz trains, metros, & buses allowing easy accessibility. A limited hostel facility is available for students from outside Mumbai. It's been granted Autonomy from Academic Year 2014-15 & has been awarded 'A' grade by the National Assessment and Accreditation Council (NAAC) in the year 2017. Experienced faculty members & a state-of-the-art infrastructure covering 2 buildings cater to around 3000 students enrolled in various UG, PG, and Ph.D programs of the College.

The institute offers undergraduate & postgraduate degrees in the vast fields of:

- Computer Engineering
- Electronics Engineering
- Electronics & Telecommunication Engineering
- Information Technology
- Mechanical Engineering

The institute also offers research options to students in the form of Ph.D programmes in the fields of:

- Computer Engineering
- Electronics Engineering
- Mechanical Engineering

Firm believers in the motto of **facta, non-verba**, KJSCE offers various in-house as well as external internships to hone the technical skills of the students, enabling a near cent percent placement. It promotes student bodies and is a host to various festivals, and offers students with many technical & cultural committees to be a part of.

Parvaah, the social initiative of KJSCE, is inspired by the idea of giving back to the society. It promises to be a platform to bring in a change. Each year KJSCE students undertake socially relevant activities such as spreading awareness about LGBTQ rights, establishing a zero-waste community, etc. They are also proud to have associated with Mr Afroz Shah, UN Champion of Earth, while extending a helping hand to the Versova Beach Clean-up drive.

# Facilities & Infrastructure

KJSCE has well equipped labs, multiple common computing facilities, library spread over 4 floors, indoor sports facilities such as a badminton court, carom room, table-tennis rooms. etc. Additionally, the Somaiya Vidyavihar Campus is host to multiple top-of-the-line facilities including, full sized football grounds, tennis courts, fully-featured hostels, etc. The campus is always connected to high speed Wi-Fi (850 Mbps)

State-of-the-art **indoor badminton court**

**Library building** with all major subscriptions & online facilities

Fully-featured **computer labs**

**Lush-green campus**

400+ seater **KJSCE Auditorium**

**KJSCE Common Computing Facilities**

**Hostel** - available to select students.

# Academics at KJSCE

- ◆ Currently, KJSCE has over 170 faculty members; some of them PhDs while many are pursuing their doctorates.
- ◆ It is a recognised **Research Centre** by the University of Mumbai offering PhD programme (Technology) in Electronics, Computer as well as Mechanical engineering.
- ◆ Student centric learning approach, provision of merit based scholarships to needy students, special attention to the needs of differently abled students in the teaching-learning-evaluation process, etc. enable in creating conducive environment for education.
- ◆ KJSCE has always strived to create a conducive environment for education, & provides **scholarships** based on merit, as well as on need (through the **P.U.S.H** initiative)

## KJSCE is Autonomous.

### *What does it mean for the student?*

Autonomy not only helped KJSCE in designing its own syllabus; but it also enabled to devise mechanisms to assess understanding of the students in the subject matter. Transparency in the examination system helped in building faith on the evaluation of performance of students. Feedback from important stakeholders such as industries, alumni & students empowered the administrators to draft the syllabi which are truly current & relevant. The College, in the last 5 years, has strived to make the curriculum to encompass all variety of students, by taking into account their different learning curves & aspirations. Introduction of Exposure & Audit courses, Inter-Disciplinary courses, & additional credit or audit courses in the curriculum proved to be helpful for an overall development of a student. Students could avail benefits out of internships due to the well-defined academic calendar of the college.

# Placements & Internship Opportunities

The Internship Cell of the College puts in a lot of efforts in providing both technical as well as non-technical industrial internship to all those students who are interested. In doing so, every student gets an opportunity for field exposure and/or application based learning; in the collaborating industry. Students can also take active part in the **research work** conducted by College faculty members as internal internships.

Team of the Placement cell, in its continuous and focused approach, reaches out to industries for quality placement of the students. A close rapport with various industries has helped the student community in securing gainful employment. As a result, while almost all the eligible students are placed successfully every year; few bright students also fetch multiple placements. The track record of companies in the recent years is overwhelming & yearly **more than 75 companies visit KJSCE** for campus recruitment for both UG as well as PG students. This year, typically; the annual pay package offered to the students lies in the range of INR 3 Lacs to 8 Lacs.

Our students have been placed in

AVERAGE PACKAGE

4.95 LPA

HIGHEST PACKAGE

15.92 LPA

# Extracurricular Events

Scan this QR code to get a better glimpse!

KJSCE tries to provide to the curious & artistic minds of students with its in-house activities. It hosts many international chapters (like CSI, CodeCell, IEEE etc.) for technical committees as well as a plethora of events & cultural clubs for art, dance, drama & literature, etc.

Pro-Shows at **Symphony**, the annual cultural festival of KJSCE

KJSCE students at the 1<sup>st</sup> edition **Parvaah ecoRun** 2019

The Indian Army at the Tech Expo of **Abhyantriki** 2018.

Basketball at the annual national-level sports summit **SKREAM** 2019

Comedian Akash Gupta at the LY Farewell 2019

Students dancing at the Garba Eve

KJSCE is affiliated to the following national & international campus chapters -
