

A REPORT ON

**Cyber Security Awareness Program Organized by IQAC-KJSCE
In Association with
KJSCE-Outreach Center as a part on FY Induction Program (27th September,2018)**

Event Name : Cyber Security Awareness Program.

Day & Date : Thursday, 27th September,2018

Time : 3.00 PM to 4.15 PM

Venue : KJSCE Auditorium, Vidyavihar

Attendees : First Year Engineering Students.

Speakers : Sarthak Shah, Suyash Jadhav

Description :

- Cyber Security seminar was conducted to create awareness about various cyber-security crimes as a social initiative.
- Cyber Security as a major manmade disaster of the current era and KJSCE would like to take our share of contributing back to our society by extending the technical help.
- Cyber Security involves protection of sensitive personal and business information through prevention, detection and response to different online attacks.

Main Points Covered :

- Welcoming the audience
- Introduction to cyber security.
- Global price tag of consumer cybercrime.
- Types of cybercrime:
 - Phishing
 - ATM Frauds
 - Social Engineering
 - Cyber Stalking and Bullying
- Steps to prevent cyber crimes
 - Strong Passwords
 - Activate your firewall
 - Antivirus Software
 - Secure your wireless networks

How was the response?

- Audience was quite enthusiastic about the technical aspect of cyber security.
- They were already aware of things like using email, software and other social networking sites.
- The young and enthusiastic crowd of KJSCE was already aware of most of the latest cybersecurity threats.
- They asked several questions regarding how to keep privacy on social media.

K. J. Somaiya College of Engineering, Mumbai-77

(Autonomous College Affiliated to University of Mumbai)

- The event was a success and all the attendees were keenly listening to the presentation given by the Outreach team.
- They were happy to gain the knowledge and were pretty pleased by our initiative.
- They also asked questions regarding the precautions that should be taken while doing online transactions and online buying and selling apps and using social media (i.e. Amazon, Flipkart , OLX, Facebook).
